

RETURN TO PLAY CHECKLIST

Resources available in Core Crew Hub:

- HulaFit Outdoor Event Delivery Plan - guidelines on how we will keep you and others safe from infection with actions for Instructors & participants.
- HulaFit Indoor Event Delivery Plan
- Risk Assessments checklist/template

What you will need to teach outdoors:

- Risk Assessment for location
- Permission to use outdoor area
 - For Council spaces, contact the relevant department e.g Parks & Open Spaces / Sport & leisure / Resident Services
 - Often contacting the council and jumping through all their admin hoops mean that you will be listed as a safe, quality local activity provider.
 - Some spaces may charge - check on this
- First Aid Certificate - Emergency First Aid at work 1 day course
- Booking system
- PPL Music Credits

Equipment:

- Speaker / Phone or device for music
- Hoops
- Hand Sanitiser
- Cleaning products to clean hoops e.g anti bacterial cleaner/wipes/cloth
- Bin bag
- Latex Gloves
- Mini First Aid kit incl gloves & mask

Communications:

- Contact your community & re-assure them by letting them know how you will be running classes safely
- Communicate your proposed dates/locations - if uncertain when is best day/time run polls. Make sure people know they need to sign up in advance
- Sign up participants in advance, stick strictly to the limit of 30 participants per class
- Send rules and risk assessment to participants at sign up.
